# WELCOME

*“Now, it is required in Stewards that they be found faithful.”  
(1 Corinthians 4.2)*

Have you ever wondered why we're called the Stewards' Trust? It's from this, our founding verse. The verse was on my mind for our Celebration Service last year to mark 70 years of all that God has done in and through this amazing community.

I used to think it was an odd verse to choose – a bit obscure, not very memorable and less inspiring than many others. But I've come to realise that it is perfect for us, and prophetic!

More than anything, we look after people. In that sense we are stewards – relationship is at the heart of everything we do. So is faith and faithfulness. We deeply value faith-building relationships. Our events, camps and houseparties are a natural expression of this and they are life-changing.

We would love it if you would join us to enjoy the transformational power of a community committed to encouraging one another to grow closer to Jesus!

# WHAT IS THE STEWARDS' TRUST?

Relationship and discipleship are core to everything we do: relationship with God, with family and with friends. We're for all ages and all stages of faith. It's why people describe the Stewards' Trust as 'family'.

We are committed to walking the way of Jesus together, inviting others to join us, and to nudging one another a bit closer to Jesus along the way. We are shaped by scripture and are Spirit-led.

We are disciples making disciples!

# DLY

*"I stepped out of my comfort zone and, through the incredible leadership already within the team, I was able to grow in vulnerable leadership, mentoring and equipping the younger generation!"*

- Sasha Gerry, DLY  
2022-23

Lizzie and James, DLYs 2023/24

Want to grow as a disciple and leader? Our Discipleship and Leadership Year (DLY) is for you.

The DLY is a salaried role aimed at university leavers who love Jesus and are up for a year of service, adventure and growth.

You will receive excellent training from the Stewards' Trust and OneLife. There are lots of opportunities to put your learning into practice - leading events, mentoring and giving talks; we call it 'discipleship through doing'.

The year is fun, fast-paced and varied. You'll leave with a deeper knowledge of yourself and God. You will grow in the skills needed to lead well, wherever life takes you.

We'd love to hear from you!

# FAMILY

At the Stewards' Trust we have a beautiful and expansive vision for what 'family' is all about. Our family events have at their core an open-edged, fun, welcoming and life-giving DNA. Absolutely everyone is warmly invited in, there is desire to build meaningful connections and significant relationships and an opportunity to learn and grow.

Mornings include teaching and worship for all ages. Afternoons make time for playing, creating, chatting and resting. All houseparties are fully catered and all practicalities are covered so you can relax!

There are lots of ways to get involved in our family events and find your place of belonging - why not invite your friends and join us? Quality nourishment for mind, body and soul awaits.

## *Thank you to our* volunteers

We have the best volunteers in the world! Driven by a huge love for Jesus and people, they are at the heart of everything we do. We simply wouldn't exist without their commitment, energy and enthusiasm.

Thank you for giving so much of yourselves, always with a huge smile and a massive dollop of love running through everything. We love you!

There is something wonderful about spending time away together with God. The Adult houseparties and Days of Encouragement are a great way to be refreshed and encouraged through teaching, worship and prayer. Afternoons are kept for walking or relaxing or visiting local places of interest.

For many people, the houseparties have become a spiritual high point of the year, coupled with the life-giving joy and affirmation that comes from Christian friendship.

There are a variety of residential houseparties, which vary in size and length. If you would like to join us, please contact the administrator of the event.

*"I have returned from the weekend inspired by everyone I met and grateful for new friends."*

This long weekend, largely for those in their 50s and 60s(ish), provides a special time away to explore what it means to be a disciple of Jesus in this season of "mellow fruitfulness". Our focus is on living Spirit-filled, maturely fruitful lives of life and work, and in our relationships and areas of influence.

Through worship, teaching and specific seminars, we aim for this weekend to be one of refreshment, encouragement and growth. This is all enhanced by enjoying old friendships, welcoming new joiners and enjoying the benefits of the hotel – pool, gym, en suite bathrooms and excellent food! Quite some event.

# DAYS OF ENCOURAGEMENT

*"It was a real oasis and time of refreshment."*

For many of us, Days of Encouragement are a much-loved annual faith-builder as we serve God in our different churches, sometimes in quite isolated areas. These days also provide an opportunity to catch up with old friends and meet new ones.

We will have three days in 2024:

- Oxfordshire
- Hampshire
- London

The Oxfordshire day is at Burford on Thursday 16th May 2024, joined by speaker Paul Perkin. Keep an eye out on the website for details of the other days, including how to book.

If you would like to be included on our mailing list for a particular day, please contact [henrietta@stewardstrust.org.uk](mailto:henrietta@stewardstrust.org.uk)

*Transformational bursary fund*

*“Great indeed are our opportunities, great also is our responsibility.” – William Wilberforce*

We are so blessed to have the opportunity to benefit from the work of the Stewards’ Trust. We feel a responsibility that comes with that blessing to make our youth camps accessible to everyone.

That is possible through our Transformational Bursary Fund (TBF), which provides discounted places to children and young people who are from low-income households. It also means we can continue to offer the same support to young people from clergy families.

We all benefit from the diversity this programme brings to our community. With your help, we can share this opportunity with even more young people. Please donate today through our website, or add a contribution when booking any youth camp.

Mentoring has the potential to entirely transform a young person’s life for the better.

In the past year, there have been many exciting things:

- Our Youth & Student team mentored 44 young people.
- 67% found their faith had improved through being mentored.
- We now have 25 volunteer mentors who are all mentoring at least one young person.
- We are in partnership with three churches to help them create their own mentoring programmes.

These statistics may excite you, but behind every figure is a story of a person who is being seen, known and valued by someone investing in them.

Our vision is for every single member of the Stewards’ Trust ‘family’ to be mentored or become a mentor.

We are expectant that God will move powerfully in the lives of mentors and young people.

To find out more please contact Matt.

## HOW TO BOOK

When it comes to booking, there are two types of events:

1. Direct through our website - all youth and student events and some adult events.
2. Initial contact with event contact - family houseparties and remaining adult events.

Ultimately, you will need to complete an online booking form for both types but some events require you to express interest to the event contact first due to complexities relating to accommodation or youth groups.

All balances must be paid 12 weeks prior to the event. Once booked, all communication should be with your event contact.

## PETS

We regret that no pets may be taken on any of our events - sorry.

## ENQUIRIES

For youth and student events, please contact the Stewards' Trust office. For all other events and houseparties, your enquiries should be addressed to the relevant event contact whose contact details you will find in the brochure and on our website.

## VOLUNTEERS

Volunteer helpers are required for our family, youth and student events. Please apply to the relevant event contact or, for youth and student events, to the Stewards' Trust office. Helpers are sometimes asked to make a contribution towards their living expenses on the event.

## SAFEGUARDING AND SAFETY

The safety of everyone attending our events is taken very seriously. We have particular concern for young people and adults at risk. The Stewards' Trust has a Safeguarding Policy, which complies with national standards, and all leaders and team members are subject to this. They are subject to an enhanced disclosure issued by the Disclosure and Barring Service (DBS) and references also have to be provided. Further details in relation to the safeguarding policy can be found on our website.

Outdoor pursuit activities are carried out under qualified supervision. All leaders and team members agree to abide by its terms.

## ADDITIONAL NEEDS

Some children and adults at risk have needs which require extra support. Our desire is to be as inclusive as possible within the guidelines of suitable provision and resources. We therefore require parents/carers to provide full details (i.e. disability, allergy, medical condition, medication etc.) at the time of booking. Please also inform us if a child or adult at risk currently has, or has recently experienced, any behavioural or social problems that may affect their own safety or the well-being of others at the event.

For youth and student events, please contact the Stewards' Trust office. For other events and houseparties, please inform the event contact in the first instance.

## CHILDREN AND ILLNESS

Do check your chosen event to ensure a week best geared to your family. Please note that, other than for our youth only events, parents remain responsible for the safety and security of the children they bring to each event other than for the times they are expressly left in the care of the event's youth team. Guests will understand that, in fairness to others, a child (or anyone else) with an infectious disease needs to be taken away.
